

The present application was allowed , but was unintentionally abandoned on January 20, 2006. This amendment is filed along with the petition to revive and should therefore, be considered to be timely filed under 37 C.F.R. § 312. Consideration and entry of the amendment is earnestly requested.

Fig. 1 was amended to correct a typographical error. Namely, one of the "readers" "L" was mislabeled "4" at step 5 of the figure. One skilled in the art reviewing the specification would clearly understand that the box labeled "4" at step 5 of Fig. 1 was mistakenly labeled and instead, should be "L."

Since the amendment corrects a mere typographical error and does not affect the scope of the disclosure or the claims, this amendment should be entered and the Applicant requests the same.
